

705 Federal Credit Union

**Skip-A-Payment Your Way
Amendment to Loan Agreement(s)**

As a valued member of 705 FCU, you are entitled to apply to skip a payment on your loan (*excluding real estate, open end, TDR/workout, and visa loans.*) Only five skip a payments are allowed for the life of the loan and no more than one skip a payment every six months. If you have more than one loan you can skip a payment on all loans that are current and qualify.

There is a processing fee of **\$50.00 PER LOAN PAYMENT OF \$499.99 OR LESS and \$65.00 PER LOAN PAYMENT OF \$500.00 or more.** Additional qualifications may apply for a skip a payment. Skip a payments not approved will not incur a processing fee. We will simply deduct the fees from your requested account, or you can send us a check. **On qualifying loans, interest will continue to accrue during the waived payment period which will result in the term of the loan being extended.**

If you use payroll deduction or automatic transfers for your loan payment from a 705 FCU account, the funds, which would normally transfer to your loan, will be available for withdrawal.

All requests must be received prior to payroll postings or the loan due date.

By signing below, you authorize 705 Federal Credit Union to extend your final loan payment by one month. To skip your payment, all loans and accounts must be current and in good standing at the time we receive your request, you must have a balance of \$1,000.00 or more, and you must have paid 3 months' worth of payments on the loan. For example, if you pay your loan weekly, you must have made 12 payments. You understand that interest will continue to accumulate during the month of the skipped payment. If previously elected, Debt Protection premiums will continue being added to the loan during the extended term in order for benefits to continue. If you have Guaranteed Asset Protection (GAP) insurance on your vehicle loan, the coverage may be affected. **You acknowledge that all signers on the original loan MUST sign this coupon and signatures will be verified against the original loan file before the skip will be authorized.**

I (we) have read the above statement and fully understand and agree with it.
